

Dear NJESTA Member,

This is Angela Best your NJESTA Secretary. I have recently taken over as Membership Chair and am in the process of updating our database. I am writing to inform you that your NJESTA membership has lapsed. I hope you will take advantage of one of our three dues payment options and renew today. The multiyear plans involve a reduction in dues for the members and should make it easier to take care of and continue uninterrupted membership in the Association. Membership is not restricted to classroom teachers only. It is open to anyone involved, now or in the past, with science education. Renew today and continue your support of education about our dynamic Planet Earth.

Membership dues:

One Year \$15

Two Years \$27

Three Years \$35

Students \$5

Make checks payable to: NJESTA

Mail to:

New Jersey Earth Science Teachers c/o Angela Best

4002 Hunters Glen Dr.
